In-ear earphone with mic and flat cable

CKP-EP3412

Cirkuit - Power Up Your Colours

DESCRIPTION

The earphones with flat cable, which prevents drafts, are at the forefront of technology. These earphones come loaded with a microphone and a multimedia Key to work with your Phone. This multi function remote allows you to adjust the volume by pressing the + and - buttons, control music and video playback - including play/pause and next/previous - by pressing the centre button on supported devices and answer and end calls. Connecting the phone via 3.5mm input jack metal. 3 different sizes of pads to ensure comfort and the perfect fit to your ears.
